A FEW WORDS ABOUT ZOK NOODLE HOUSE

吃麵首選 | 足料呈獻

竹麵館

創立源於2011年，是由四名廚師兼好朋友所創辦，自成立以來堅持信念如一以“足料”烹飪每一道佳餚，也代表著竹麵館“竹”名字的來源。立志將港澳的道地美食和廚師們的自身鑽研秘方與其結合並發揮至極致，把最好最足料的港澳經典美食呈現與大家分享品嚐。

竹麵館招牌鮮蝦雲吞湯麵 · 8:2比例餡料

從雲吞至湯底及麵條，無論是在用料或製法上都極其講究，選用上乘鮮蝦作為主餡料再以半肥瘦豬肉入餡，為了確保雲吞的鮮甜嚼勁，每一顆雲吞以8分餡料及2分雲吞皮，皮薄餡足的比例純手工包裝，每日新鮮呈現。

雲吞麵最重要的莫過於那一口感清甜的高湯，也是竹麵館師父最重視的部分。每一鍋高湯都以高質量要求，採用優質大地魚、老雞、蝦籽及大量上等鮮豬骨以慢火熬製足6小時的上湯，入口鮮甜口感豐富多層次的湯頭加入特製手工雲吞麵條，這一碗貴為港澳名牌美食才能呈現給大家。

100% Authentic Malaysian Flavour

Zok Noodle House was founded in 2011 by four chef friends. Since its establishment, it has insisted on cooking every dish with "Sufficient Ingredients", which also represents the origin of the name "Zok" of Zok Noodle House in Chinese. Determined to combine the authentic cuisine of Hong Kong and Macau with the secret recipes from the chefs and develop it to the extreme and present the best and most satisfying classic Hong Kong and Macau cuisine to share with everyone.

Signature Fresh Prawn Wonton Noodles · 8:2 Filling Ratio

From wonton to soup base and noodles, we are extremely particular about the ingredients and preparation method. We use high-quality fresh shrimp as the main filling and semi-fat lean pork as the filling. To ensure the freshness, sweetness and chewiness of the wontons, each wonton is hand-wrapped with 8 portions of filling and 2 portions of wonton skin. The skin is thin, and the filling is sufficient. It is freshly cooked every day.

The most important thing about wonton noodles is the sweet broth, which is also the most important part of the master of Zok Noodle House. Every pot of soup is guarantee tasty, uses high-quality flounder fish, old chicken, shrimp roe and many first-class fresh pork bones to simmering for 6 hours. Only with this process the famous Hong Kong and Macau delicacy will only be presented and served to everyone.

Sooo Crispy!
女子酥皮!

在葡挞的焦脆与顺滑之间，隐藏著我们的精心制作。。。。。

个性纯洁的鲜奶碰撞上热情的蛋黄，炙热的升温激发了蛋浆中的奶，表面受热膨胀，形成微焦的蛋馅后释放出强烈的蛋奶香气，呈现出内外截然不同的口感。外酥里嫩—外皮焦脆、内里细滑，衬托著彼此的不同，同时融入纯粹的幸福。

Between the crispiness and smoothness of the Portuguese tart contains our meticulous preparation and production...

When the pure fresh milk meets the passionate egg yolk, the aroma of the milk in the custard filling will be stimulated by the scorching heat. Its crispy, flaky crust holds a creamy custard center. The custard's surface will be caramelized from the oven's heat, releasing a strong aroma of its creaminess. A distinct texture and taste will be created - crispy on the outside, and silky on the inside, accentuating each other's differences while blending into pure bliss.
